

Taste The Adventure

Welcome to one of the most exciting and fastest growing wine regions in the United States. A tremendous variety of wine styles and stunning scenery are to be enjoyed as you meander throughout our beautiful state. The Connecticut Vineyard and Winery Association's blue wine trail signs will help guide you to the 24 wineries comprising the Connecticut Wine Trail.

Our cool-climate growing region allows for intricate and refined flavor development. Whether you are looking for robust barrel aged reds, crisp and bright whites or local fruit wines, Connecticut delivers. Although the range of wines statewide is almost limitless, commonly grown varietals include Cabernet Franc and St. Croix for reds and Chardonnay, Pinot Gris, Riesling, and Seyval Blanc for whites.

Should your trip start in the Litchfield Hills, the Connecticut or Housatonic River Valleys, the Quiet Corner or along the coast, visitors are sure to notice the distinct differences that make each growing region unique. Despite the geographic variability, a common theme of dedicated farmers, passionate winemakers and timeless New England charm await regardless of where your trip takes you. For more information, please visit the itinerary planner at ctwine.com for easy trip planning and directions. Experience Connecticut's Grape Escape. Cheers!

The wineries remind you to please drink and drive responsibly.
