— Story —

Located in the quaint town of North Stonington, Jonathan Edwards Winery is situated on a beautiful 48-acre hilltop about nine miles from the Long Island Sound. The Edwards family has taken a unique approach to providing you with the best wine tasting experience possible. Jonathan Edwards handcrafts both premium Napa Valley, California and Estate Connecticut wines to highlight each coasts' unique climate. The two diverse product lines complement each other and allow our guests to sample delicious wines that showcase what each area is known for.

Visitors are encouraged to sample the wines in the tasting room set in the restored 1880 dairy barn and browse the Loft Gallery, gift shop and beautiful vineyard grounds. Each season has its own unique charm, and we encourage you to visit whenever you can steal some time for yourself, your family, or as a romantic retreat.
